COVID-19 has led to increased child labor around the world as families struggle to survive. Join the global community this year focused on ending child labor.  
Read more and take action.

#### WEDNESDAY 16

**International Domestic Workers Day**

Labor trafficking includes domestic workers who are particularly vulnerable due to the hidden nature of their work inside homes. Take action to support them by signing this petition for a Domestic Workers’ Bill of Rights.

#### SATURDAY 19

**Juneteenth**

Juneteenth commemorates African American freedom and emphasizes education and achievement. Even though legal slavery ended (except in cases of incarceration, see 13th amendment) human trafficking continues to deprive people of their freedom.

#### SUNDAY 20

**World Refugee Day / Father’s Day**

As we remember both refugees and fathers, we pray for all those who had to flee their homeland in search of a better life for their family, putting them at risk of human trafficking.  
Learn more and take action.

#### FRIDAY 25

**Day of the Seafarer**

We give thanks for seafarers as essential workers and remember how they are vulnerable to situations of trafficking, exploitation, and violence. Join our campaign in solidarity with seafarers by learning more and taking action.

**Prayer Intention**

We pray for the human dignity and rights of all people who identify as LGBTQIA+ to be honored and protected so that they are not pushed into situations of human trafficking to survive.
